New School Calendar Adds Four Days With Longer Holiday Rests

State Insists on Nine Months With 185 Days School Sessions

Antioch and other Lake county schools will have two more days of Christmas vacation but will close four days later in June as the result of a revision of the school calendar by County Supt. W. C. Petty.

A new law enacted by the state legislature calls for a minimum of nine months of sessions each year. The Lake County school schedule was set up four calendar days and two school days short of the requirement.

As the result the vacation from Dec. 22 to Jan. 1 inclusive was changed to Dec. 21 to Jan. 2 inclusive, and the closing date was changed from June 1 to June 5.

Roy Clark, an adviser at the office of State Supt. Vernon R. Nickell advised Supt. Petty that under an opinion of the attorney general the state department could not recognize any school that doesn't operate a full nine months with 185 school days.

All principals and superintendents in the county were immediately notified by Petty.

H. S. Band Concert Designed to "Show-Off" Band Selections

Director Louis Chenette, director of the Antioch High School band, said today that selections for the annual band concert to be presented next Thursday, Nov. 17, have been made with the idea in mind of showing-off the various sections of the band.

Instrumentation of the band is especially fine this year, and it is this fact that makes possible a well-rounded program for the concert.

Opening the concert with "Bugler's Holiday," the cornets and trumpets will set the pace for the show, with a dash of brass which is characteristic of band music.

Clarinets and other woodwinds will have a chance to "show their stuff" and illustrate fine tone and musicianship in the "Impressario Overture" and "Ballet Music."

The trombones will be featured in "Trombrero." Saxophones and other band instruments, as well as percussion will have their day with the playing of "March Paraphrase," "Blue Mirage" and "Fandango."

All in all, this promises to be one of the finest concerts ever presented by the high school music department, and all residents are invited to attend.

Civil Defense Alerts Considered Success; Fire Call at Antioch

With the blast of a noise bomb that was heard as far as Trevor, the Civil Defense alert was sounded at 8 p. m. in Antioch Friday and drew five fire departments to the scene at Rte. 173 and Rte. 59.

Antioch residents, unaware for the most part that anything was about to take place, were startled at first by the bomb, but then recalled that it was Civil Defense week.

Fire departments at Trevor, Wilmot, Salem, Bristol in Wisconsin and Lake Villa and Antioch in Illinois, responded and after checking-in at the disaster point, went to the Antioch fire station where they were briefed on civil defense procedures and then served refreshments by the Antioch firemen.

Antioch sent two fire trucks and a rescue squad truck to the scene.

Shortly after the disaster alert was sounded, the Antioch department received a fire call from the Soo Line station. A stove in the baggage-mail car became overheated and threatened to set fire to the car which had a $3,000 valuation on its baggage content.

Relief man Frank Willett accompanied by Harry Lake and Lee Werheim of Trevor, Wis., responded, using the jeep generally used for grass fires. They extinguished the fire in the stove which had become red hot, and the train went on its way 55 minutes late.

The local department responded to the alert at Fort Sheridan Sunday afternoon.

John Horan, Antioch's Civil Defense director, said both alerts were successful and were good training for the men.

Antioch Duck Hunters Rescued from Blarney Island Monday Night

Lewis Waterman and Raymond Edwards, teenage youths, residing in rural Antioch, gave relatives and friends quite an alarm Monday night when they failed to return home from a hunting trip at Grass Lake.

They were found at 2 a. m. Tuesday on Blarney Island by Conservation Officer Harry Novotny and Edward Haling of Haling's resort who searched for them on several islands before getting the right one.

The boys said they went to the island after the motor of their small boat broke down rather than try to row in the dark across rough water. They said they fired several shots but were unable to attract anyone's attention until Novotny and Haling arrived.

The Antioch Rescue squad was called when the boys did not arrive home Monday night, but the first aid men couldn't find them.

Edwards was a victim of a hunting accident two years ago in which an eye was destroyed.

Nimrods Warned Not To Hunt Soo Line Right of Way Land

Right of way of the Soo Line railroad, running through Antioch Township, will be off limits for hunters this year, according to A. W. Kruse, special investigator for the railroad.

Move to post the right of way and keep hunters off is a result of damage inflicted by hunters last year, according to Kruse. Long regarded as a place to hunt without trespassing on posted land, the withdrawal of the tracks as a place to hunt will no doubt, draw protest from some hunters.

In talking to newsmen this week, Kruse said, "This situation has been the outcome of malicious damage of railroad property during the past hunting season." He added that damage to signal equipment by gunshot was not uncommon and that the lives and safety of a great many people depend on proper functioning of signal equipment. It is for this reason that the move was made.

Pheasant Hunting Will Start Tomorrow Noon

Thirty-seven years ago at noon tomorrow cease firing was sounded along the battle front in Europe as the close of the first World War in which many Americans lost their lives.

Tomorrow noon it will be "start firing" in Lake county as the pheasant season opens and there is always the hope that none but the pheasant is killed.

For 2½ weeks the cock pheasant will have to hide away beyond the eye of man and dog if he wishes to survive. His lady love has it easier for despite the fact that the state neglected to print cock pheasant on the hunting rules and just said pheasants, the law remains that hen pheasants may not be killed.

Because of much feed and no floods in the marsh lands there should be the average amount of pheasants for the hunters in the Antioch area this year, but with each succeeding year the places to hunt grow less.

Up to this time hunters have just been permitted to hunt geese and ducks. There was comparatively poor hunting until within the past week.

Funeral Friday for Andrew Wedeen, 78, Former Hotel Owner

Andrew Wedeen, 78, a resident of Antioch, died at 8 p. m. Tuesday at the Lake County General hospital following an illness of several months.

He was born November 15, 1876 in Montala, Sweden, and came to America at the age of 15, settling in Chicago. There he worked for his brother-in-law, A. W. Johanson, a jeweler, as a watch maker for 25 years.

Mr. Wedeen came to Antioch 22 years ago. He first operated the Selter Hotel at Grass Lake and later the Wersen Sepp hotel at Lake Marie.

His wife and a sister, Mrs. Ebbe Johansen preceded him in death.

Funeral services will be held at 1 p. m. Friday at the Strang Funeral home with the Rev. Edmond Hood officiating. Interment will be in Grass Lake cemetery.

Chamber Of Commerce Elects New Officers; Joe Patrovsky Head

Christmas Shopping Season To Open Nov. 26 With Parade-Treat

Election of officers by the new board of directors of the Chamber of Commerce Monday has placed Joe Patrovsky at the head of the organization as president, succeeding George Borovicka.

Patrovsky, proprietor of the Antioch Packing Co., will have as his staff of officers Roger Drije, automobile dealer, vice president; Harry Nelson, real estate dealer, treasurer, and O. I. Onstad, publisher, secretary.

The new directors chosen are Harold Olsen, Lee Hinterlong, William Lahti, George Borovicka, Roger Drije, and Edward Sletten.

Harold Olsen was elected chairman of the Christmas Plans committee and his committee already has gone into action to arrange for a parade and possibly the arrival of Santa Claus on Saturday, Nov. 26, which will open the Yuletide shopping season.

Merchants will be asked to have their display rooms and windows decorated by that time and street decorations will be up.

George Borovicka, retiring president, reported that work is progressing on the new parking area east of the village. Low land is being filled, and as soon as the village begins receiving its sales tax, real progress will be made.

Republicans Enjoy Turkey Dinner Wed.

Township Club Moves to Organize Ladies' Auxiliary

Seventy members and guests of the Antioch-Lake Villa Township Republican club were present last night at a regular meeting of the club at Antioch Rescue squad home. A pre-Thanksgiving feast of turkey was a feature of the meeting. Seventy-five pounds of turkey were consumed as well as proportionate quantities of chestnut dressing, oyster dressing, sweet potatoes, cranberry sauce and other "fixins" associated with Thanksgiving.

Local and county officials present included Supervisor Lloyd E. Murrie, Antioch; Supervisor Ed. Tiede, Lake Villa; County Auditor Pearsall; Coroner Mickey Babcox, and others. Local committeemen present were Elmer Wolff, Irving Barnstable, and Art Bennett, of Lake Villa; and Frank Kelly, Charles Larson, and Henry Pape, all of Antioch township. Road Commissioner James Runyard of Antioch, and Fred Popp of Lake Villa were honored guests.

A short business session after the dinner saw a move made which had been under consideration by the club for some time, namely, the organization of a ladies' auxiliary to the club. A committee comprising Dr. G. W. Jensen, R. G. Holtz (sponsor of the move), Elmer Wolff and Ed. Tiede was appointed to organize the auxiliary, which will be subsidized by the club.

Next meeting of the club will be held in Lake Villa December 14.

Work on Crossing Signal at Depot Street Completed

Installation of a new grade crossing warning signal at the Depot intersection of the Soo Line tracks was complete yesterday (Wednesday). The system is now in operation.

The crossing, previously unprotected, was the scene of a tragic accident last year in which two local men lost their lives. Since that time a great many residents and organizations have been urging the installation. Chief of these was the Antioch-Lake Villa Republican club and the Antioch News.

Growth of population east of the tracks has made the warning signal more important since the crossing is used by school busses daily, and also used by approximately twenty-five school children on foot and on bicycles.

Cost of the device is shared jointly by the village and the railroad. Money for this purpose will be provided from State motor fuel taxes for the village part of the cost.

Undergoes Surgery

Robert O. Liess of 1020 Spafford st., underwent surgery Monday at Illinois Masonic hospital in Chicago.

CAN THEY REALLY BELIEVE WHAT THEY SEE?

Santa Claus to Come to Antioch November 26 Giving Out Treats and Visiting All Children

Santa Claus will come to Antioch Saturday, Nov. 26.

His airplane will land south of the village and will be pulled up Main st. to Lake and Broadway to the Antioch Rescue Squad building where he will arrive at 10 a. m. to spend the day talking to children and giving out treats.

"We made arrangements with the jolly old fellow early because we knew he would be in big demand," said A. Harold Olsen, chairman of the committee of the Chamber of Commerce, arranging the event.

His statement was corroborated by George Borovicka and Herman Holbek, members of the committee.

"Santa is coming early so that he wil have more time to spend with the children," said Borovicka.

He will take his place before a well-lighted Christmas tree in truck room of the Rescue Squad building.

As an additional treat the Lakes Theatre has been engaged to show free movies from 11 a. m. to 6 p. m. They will be mostly cartoon comedies.

"We are grateful to the manager of the theatre for his interest in the event and his generosity," said Borovicka.

Invitations to see the parade and visit Santa Claus will be issued through the schools.

Antioch High School Turns to Basketball as Football Bows Out

With football down for the final count, the athletes of Antioch Township High School are now turning their attention to basketball.

The curtain will rise Saturday, Nov. 19 on a 20-game schedule for the Sequoits, for on that date Libertyville of the North Suburban Conference will be the opponents on the Antioch floor.

A game with Richmond at Richmond on November 23 will be played before the Sequoits will take up their conference battles on Dec. 2 with Grayslake playing here.

A four-team tournament planned for Nov. 25 and 26 at Wauconda was called off.

Because the Grant High School gymnasium will not be ready, the game between Antioch and the Bulldogs on that date has been brought to Antioch with the expectation that the Grant gym will be ready for the return game between the teams on January 24.

The schedule for the varsity for the season is:

Nov. 19—Libertyville at Antioch; Nov. 23 (Wednesday)—Antioch at Richmond-Burton; Dec. 2—Grayslake at Antioch; Tuesday, Dec. 6—Grant at Antioch; Friday, Dec. 9—Antioch at Wauconda; Friday, Dec. 16—Glenbrook at Antioch; Saturday, Dec. 17—Antioch at Fenton; Thursday, Dec. 22—Antioch at Dundee; Friday, Jan. 6—Palatine at Antioch; Saturday, Jan. 7—Warren at Antioch; Friday, Jan. 13—Antioch at Ela-Vernon; Friday, Jan. 20—Antioch at Grayslake; Tuesday, Jan. 24—Antioch at Frant; Friday, Jan. 27—Wauconda at Antioch; Friday, Feb. 3—Antioch at Glenbrook; Friday, Feb. 10—Fenton at Antioch; Saturday, Feb. 11—Antioch at North Chicago; Friday, Feb. 17, Antioch at Palatine; Saturday, Feb. 18—Zion-Benton at Antioch; and Friday, Feb. 24—Ela-Vernon at Antioch.

Leon Laurence is the Varsity coach. Warren Polley will coach the sophomores, and Stuart Good, the freshmen. Their schedules will be announced later.

Woman's Club Will Seek Sale of Decent Literature in Antioch

The Antioch Woman's Club met on Monday afternoon at the Scout House where it welcomed Mrs. Donald Francisco, Jr., and Mrs. Fred Franklin into its membership.

Business of the afternoon included the decision of the club to take part in a crusade for the sale of decent literature in the community. It was voted to support the Red Cross program of Christmas on the High Seas. Mrs. John L. Horan gave a report on recent Civil Defense activity and the club president, Mrs. Clarence Spiering, reported on the Tenth District Federation meeting that she and Mrs. S. Boyer Nelson attended in Rogers Park last week.

Larry Copithke, tenor, and Myrna Seifert Johnson, pianist, presented a varied musical program which was well received. As an encore, the tenor sang "Little Mother of Mine" which he dedicated to his mother, Mrs. Walter Copithke, a Fox Lake summer resident, who had come from Chicago to be a guest of Mrs. Earl Hays and of the club.

'Henrietta the Eighth' Junior Class Play on Friday and Saturday

The junior class of Antioch Township High School will present "Henrietta the Eighth" as their annual class play tomorrow night and Saturday.

Without much fanfare the cast has been diligently rehearsing and will be ready to give the public some good entertainment.

Henrietta the Eighth is a three-act comedy. The role of Henrietta will be played by Marlys Arndt and Richard Vlk will play the male lead.

They will be supported by Carol Frazier, Judy Horton, Carol Chinn, Frances Dorner, Mary Lou Seyfarth, Jack Elliott, Sandra McGee, Celie Hojem, Marilu Bushing, Patricia Spacek, David Valkener, Norman Wojenski and Albert Mani.

The play will be in the high school auditorium and on both nights the curtain will rise at 8 o'clock.

Tickets may be procured from any Junior student or at the door and the public is invited to attend.

Three Football Champs In Kenosha County Now

Wilmot High in her defeat of Burlington 32 to 6 last week ended her football season as Southern Lakes Conference champions. The Panthers went undefeated in the conference.

Salem Central likewise won the Braveland Conference championship, defeating Watertown 28 to 14 last week.

And to make it unanimous for Kenosha County, Kenosha High School won the Big Eight Championship.

Antioch Firemen Meet

The Antioch firemen had refreshments at their regular meeting Tuesday night at the fire station and enjoyed a movie. It was "payday" for the firemen also which added to the enjoyment.

Antioch Beats Grant 18 - 12, Ties For 2nd In N. W. Conference

Scully Is Named Most Valuable Man on Team—11 Play Final Game

Teamwork and spirit brought Antioch High School's football team to a second place tie with Grayslake High school in the Northwest Suburban Conference.

This was the observation of Coach Paul Kessenich after the Sequoits made a remarkable second half comeback last Saturday at Ingleside defeating Grant High 18 to 12.

It gave Antioch a five victory-two defeat in conference play and through the defeat of Wilmot High a 6-2 season.

Saturday night's game was the final for 11 Antioch seniors. They were James Corbel, James Scully, centers; Jerry Meyer and Albert Herman, guards; Bob Terry and Eugene Carlquist, tackles; Frank Walsh, end;; Al Reckers, and Wayne Swanson, quarterbacks; Bill Layton, halfback; and Don Schroeder, fullback.

Jim Scully was voted the most valuable player on the team, and chosen as co-captains for next year were Jerry Huml, right end, and Marty Bell, defensive guard.

Grant can lose badly to other teams in the conference but when she plays Antioch she became an inspired team.

This was evidenced Saturday night when the Bulldogs took a 12-6 lead at the half and showed the Sequoits up badly.

Antioch took the lead in the first quarter on a 20-yard pass from Al Reckers to Lonnie Christensen.

Then the Bulldogs took advantage of two breaks and scored two touchdowns. Hank Retek scored them both, the first on a 12-yard end run after a bad pass from center gave Grant possession of the ball in Antioch territory, and next on a 2-yard plunge after Laddie Scott blocked a Sequoit punt on their own 27-yard line.

The second half was a different story. The Sequoits came back strong and tied the score late in the third quarter on an extended drive which finally saw Bill Layton plunging through a yard to a touchdown.

In the final quarter after a bad punt gave Antioch the ball on the 32-yard line, the Sequoits drove to the 12-yard spot from which point Don Schroeder swept end for a touchdown.

Not a single conversion was made by either side in the entire game.

Only one game remains to be played in the conference. The Fenton Bisons and the Ela-Vernon Bears will play off a postponed game at Lake Zurich, tomorrow, Veterans Day.

Glenbrook is the conference champion having gone undefeated through the entire season.

Although Antioch had a 5-2 conference season, last year she finished third behind Glenbrook, 8-0, and Palatine 7-1.

Chef's Famous Foods New Food Industry, Opens Near Village

A new industry employing five men at the start has been established next to the Ruralite on Rte. 21 south of Antioch.

The plant is that of Chef's Famous Foods, Inc., a firm that manufactures and distributes several dehydrated and specially processed food mixes.

Started in 1924 by Adolph Wolf at 1756 W. Roscoe st. in Chicago the concern operated under the name of Chef's Foods.

William C. Reitz and Henry F. Wallenwein, two well known Waukegan men, acquired interests in the business and have applied for re-incorporation adding the word "Famous" to the name.

Wallenwein becomes president of the new firm, and Reitz, a food distributor for nearly 25 years, is secretary and treasurer.

Wolf, the founder of the original firm, remains as vice president in charge of production. He was the originator of such mixes as raw potato pancake mix, chili seasoning, instant malted milk pudding, rolls and many others.

A new building is now occupied and the plant is in operation, equipment having been moved here from Chicago.

Hospital Notes

A son was born to Mr. and Mrs. Clarence Larson of Antioch at Victory Memorial hospital Monday.

Mrs. Charles Schroeder of Antioch became a medical patient at St. Therese hospital Monday.

Economic Highlights

"The Capital is now engaged in the usual quadrennial diversion of hanging political labels on the Presidential candidates and dividing them into heroes and villains," writes James Reston, Washington correspondent of the New York Times. "This labeling operation is part of the story-telling and myth-making industry in Washington—a vast enterprise—and is a great convenience because it enables the voter to avoid thinking or dealing with the facts."

Of course, thie method of evaluating candidates has very serious drawbacks. For one thing, even Presidential candidates are human beings—which means they aren't all hero or all villain, but a mixture of diverse and complex elements. And for another, they, like other people, can and do change. Mr. Reston says, "This is one of the most interesting aspects of the 1956 campaign: that while the cast of characters is familiar, it cannot be assumed that the men themselves are precisely the same, or that they conform to their political reputations."

He quotes Woodrow Wilson's famous remark, to the effect that some men grow and some merely swell. He points out that "the history of American politics is full of men who seem shallow and inadequate at one period in their lives but who changed out of all recognition later on." And he deals with possible major transformations that have taken place with some of the potential candidates. It's interesting to note that he believes that changes for the better have occurred in two men who stand high in the political firmament at this time—Richard Nixon and Adlai Stevenson.

This matter of change—in maturity, judgment, understanding of issues—is certainly an important one and deserves heavy emphasis. The two national committees will attempt to white-wash their own people and apply the tar-brush to the opposition. They will try to make emotion the master of logic. And the uncritical voter must inevitably be sadly misled.

Coming to specific matters, the political fires are burning bright these days. The President's illness and the generally held belief that this will preclude running again have changed the picture drastically. On the Democratic side, particularly, there is a fever of activity. Stevenson is still the best bet—but by no means a sure bet. Senator Kefauver has proven himself a power in past primaries, and he is in the running again. Governor Harriman seems to be looked on favorably by Mr. Truman. And Mr. Truman is the greatest single force in his party.

On the Republican side, a Gallup poll made after the President's illness indicates the prevailing winds. The five top-runners were as follows: Nixon, favored by 28 per cent of those polled; Warren, by 24 per cent; Dewey, by 10 per cent; Stassen, by 10 per cent; Dulles, by nine per cent. Thus only Justice Warren gave the vice president a close race in public favor. And the Justice has shown no inclination to alter his attitude of two years ago, when he said that he would not be a candidate under any circumstances.

Finally, going beyond politics, a paragraph by David Lawrence, appearing in U. S. News and World Report, certainly seems relevant. He said: "It is a time for the heart of America to be revealed. It is a time to speak with one accord to the other peoples of the world and to tell them that the American people—no matter who is chosen as a successor in the Presidency—expect to continue to seek peace in the self-same spirit of human love so simply expressed by Dwight Eisenhower."

Grass Roots Opinion

Gibbon, NEB., REPORTER: "A government bureau is where the taxpayer's shirt is kept."

SANDERSVILLE, GA., PROGRESS: "Some merchants think they have to do something offensive before they will lose a customer. 'Taint so according to the National Retail Grocers Association. Of every 100 customers put on the books of any store in any one year only 19 of the original customers remained after 10 years. . . . Merchants who believe 'everyone knows where my store is' might ponder these figures and seek more new customers through planned newspaper advertising in the home town newspaper."

GREAT FALLS, MONT., LEADER: "Those who invented the absurd assertion . . . a few years ago that 'the national debt doesn't matter because we owe it to ourselves' should ponder these figures, says the Los Angeles Times. They mean that every man, woman and child in the United States paid out $42.18 just for the carrying charge on the debt, which does not reduce the debt itself. And interest rates are rising so that per capita interest charges in the future will be more."

* * *

The Low Down From Hickory Grove

There is blustering up and down and across the land by a little group of chronic blusterers who can always find something needing fixing, and especially if it will put wampum in their own jeans. Wampum in this essay meaning getting elected via bluster to a job for which they are not sufficiently fitted.

America since Geo. Washington has been a competitive and free to work, loaf, prosper or what have you, nation. That is why it has made circles around many foreign lands. Govt. for many years devoted itself to preserving peace and prosperity—it kept aloof of venturing into competing with the citizenry. It kept its navy and army in fettle. Its Courts guaranteed a fair shake for little or big. We grew into something to brag about.

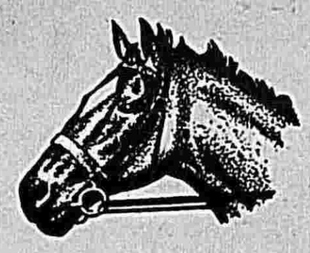

But now the blusterers tell us 'taint so, we need renovating, overhauling, the Govt. should be the Big Smoke in business. They have started their maneuvers with kilowatts. They have made some headway—look-it TVA and there on the Columbia out in that wide Pacific Northwest where red raspberries and salmon are unsurpassed. I have lived there, I speak of red raspberries and salmon from no hearsay. Electric power in that land and down Tennessee-way is now Govt. dominated. And in these 2 sections of the nation, there is a shortage of power—no shortage elsewhere where private outfits operate. So endeth this essay on blusterers.

Yours with the low down,

JO SERRA

Which is your wife on washday?

Let an ELECTRIC Dryer do the work on washdays—

(Costs less to buy—yet you get the cleanest, fastest, dryest heat there is!)

Hanging up a big, heavy wet wash is one of the hardest jobs your wife does.

And what for? Today you can buy an automatic *electric* dryer for as little as $2.43 a week, *including* installation!

An electric dryer does more than save work. You can dry a big wash for a few cents. And, electric heat is the cleanest heat there is. So everything comes out smelling sweet and fresh.

In many cases, the installed price of an electric dryer is so reasonable it's your best buy. And when you buy electric, you always get an *automatic* dryer.

Stop in and see your dealer or our stores for a look at the latest models. Washday will be easier at your house if you do.

NOW LOW AS $2.43 A WEEK WITH NEW SHARE-THE-COST INSTALLATION PLAN

When you install a new electric dryer, we share the cost of necessary wiring. You can save important money with our New Plan. For example, in a 1-family home, electric dryer installations now cost only about half as much as before. The Plan is available at *all* electric appliance dealer's. Yours will tell you how much you save. And you get more than a money saving. Your TV picture improves, lights brighten—everything electrical works better. And you can install an electric range, water heater or air conditioner (that requires a 240-volt circuit) quickly and cheaply.

Explain Military Obligations Of Young Americans Under New Plan

A letter from Paul D. Rust, Enrollment Officer at Glenview Naval Air Station, Glenview, Ill., explaining new regulations in military obligation of young men under the Reserve Plan which became law on Aug. 10, 1955, follows:

"Dear Sir:

"Much confusion now exists over the military obligations of young men since the new Reserve Plan became law on August 10. The press has been instrumental in giving the facts and eliminating much of the confusion.

"However many young men still feel that they must be drafted to serve only two year active duty. Many don't realize the other opportunities open to them in the services."

In accordance with the National Reserve Act of August 10, 1955, youths between the ages of 17 and 31 may now enroll in the Naval Air Reserve and only spend two years of their six years military obligation on active duty The other four years of obligation are satisfied by spending three years in the ready reserve and one year in the standby reserve.

May Await Graduation

For those youths over 17 but who have not attained the age of 18½, part of the reserve duty may be satisfied prior to active duty. If he is satisfactorily pursuing a course of istruction in high school or college, he may have his active duty orders delayed until he graduates from high school or completes the college year or attains the age of 20, whichever occurs first.

The ready reserve duty consists of participation in a naval air reserve drilling unit which will meet one weekend a month. Credits and pay for four drills are given for one weekend. This plan also provides for 14 days of consecutive training duty annually.

Any male between the ages of 17 and 31 meeting current standards for naval reserve enlistment and who has not been ordered to report for induction into the armed forces under the universal training and service act may enlist in the Naval Air Reserve for a period of six years divided into the categories explained above.

The Naval Air Reserve enrollment center located at Naval Air Station Glenview, Ill., is now making several counselling teams available to explain the meaning of this new reserve act which became law in August of this year. These counseling teams may be requested by any high school, parent, church, or civic group, or by any individual by contacting the enrollment center, Naval Air Station, Glenview, Ill.—Glenview 4-1000, Extension 871 by mail or whone.

Power? You bet!
The fabulous Thunderbird Y-8

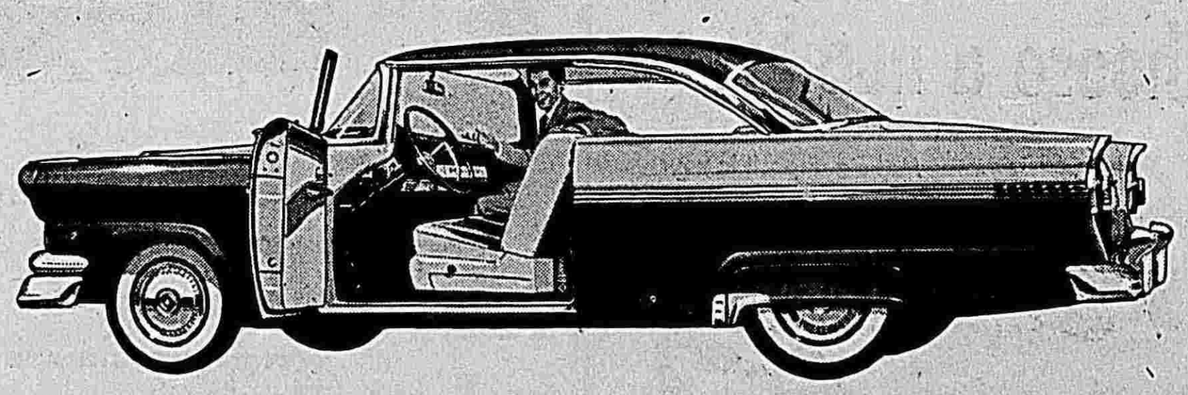

Ford goes like the Thunderbird! With this exciting new "Go"-power you can smile at hills, have new confidence in passing. The Thunderbird Y-8 engine can be yours at *no extra cost*, for it is the standard eight in all Ford Fairlane and Station Wagon models.

Beauty? Of course!
Inspired by the Thunderbird

The new '56 Ford and the fabulous Ford Thunderbird are really look-alikes! You can see the resemblance in every long, low line . . . every graceful contour. And you can expect to be envied no matter where you may drive in *your* new '56 Ford.

Safety? Only FORD gives you
LIFEGUARD DESIGN

Even more important than Ford's Thunderbird looks and go is Ford's new Lifeguard Design. It gives you extra protection in accidents. To cushion you from the steering post, Ford has a deep-center Lifeguard steering wheel. To reduce possibility of doors springing open under impact, Ford has Lifeguard double-grip door latches. To help lessen injuries from impact, Ford offers optional seat belts and Lifeguard cushioning for control panel and sun visors. A new double-swivel Lifeguard rear view mirror "gives" under impact. Come in! See how safe, how beautiful, how powerful a car in Ford's field can be.

You'll be safer in a
'56 Ford The fine car at half the fine-car price

Regular services at Millburn Congregational church Nov. 3 include Sunday School at 9:45 a. m. and church service at 11 a. m.

Baptismal services for John Alexander Thain, son of Dr. and Mrs. Alan Thain were held at the Sunday morning services in Millburn church. Sponsors were Mr. and Mrs. Joseph Takaroff of Chicago.

The Pilgrim Fellowship met at the church Sunday evening and plans were made for a Lake County rally to be held at Millburn on Sunday afternoon and evening, Nov. 27.

The Men's Club will meet at the church Monday evening, Nov. 14, at 8 p. m.

The Ladies' Aid Study Group will meet Thursday morning, Nov. 17 at 9 a. m. until 11 at the church. Anyone is welcome and each member is to bring a guest.

The Couples club will meet at the church Tuesday evening, Nov. 15. Hosts will be Mr. and Mrs. Lyman Thain and Mrs. Agnes and Helen Stephens.

The annual turkey dinner and bazaar wil be held in the new Masonic temple in Millburn on Saturday, Nov. 19. Dinner will be served from 5 to 8 p. m.

Mr. and Mrs. Edward Hoffman and son George were dinner guests at the David McElroy home in Zion, Sunday.

Mr. and Mrs. Harvey Mann of Waukegan were callers at the Mrs. Myrtle Savage home Sunday afternoon.

Mr. and Mrs. Orville Hairrell, Jr., and family of Waukegan were callers at the Frank Hauser home Sunday.

Mr. and Mrs. Frank Edwards spent Saturday evening with Mr. and Mrs. John Edwards at Libertyville.

Joe Smith of Waukegan was a caller at the home of his son, the Albert Smith family.

Miss Sharon Weber of Evanston spent the week end with her parents, Mr. and Mrs. C. P. Weber.

Miss Phyllis Cys and Marvin Thorson of Lake Villa were united in marriage by the Rev. Mr. L. H. Messersmith at the Millburn Congregational church Saturday evening.

Fourteen ladies of Millburn attended the dessert luncheon and meeting of the W. S. C. S. and also a talk given by Miss Cornelia Roberts on her recent travels at the Antioch Methodist church last Wednesday afternoon.

Mr. and Mrs. Harley Clark and sons, John, Bob and Glenn, Mr. and Mrs. Walter Fountaine and the Rev. and Mrs. L. H. Messersmith were dinner guests of Mr. and Mrs. James Bonner of Kansasville, Wis., on Sunday.

The Millburn chicken dinner and bazaar which was held in Millburn last Friday evening was the most successful event in the history of the church and we wish to thank all members of the various committees of the dinner and bazaar, also the organ music.

Lake Villa Girl Scouts, Brownies at Party

Lake Villa's active Girl Scout organization sponsored a Halloween party last week. Above at left is a shot taken at the Brownie party. At right are top row, left to right, Beth Chapman, Jane Wolff and Sandra Cremin. Second row, Diane Siedschlag and Joanne Scharrer. Third row Melody Gribbons, and bottom row, Sally Flood, Donna Smith, and Virginia Palmer.

Four out of ten fatal accidents in rural areas are non-collision accidents. Most of these were caused by driving off the road.

Test the tremendous GO of the fabulous

'56 Pontiac

Introducing a Big and Vital General Motors "Automotive First"!

A new Strato-Flight Hydra-Matic*—coupled with Pontiac's 227-H.P. Strato-Streak V-8—results in performance so new and dramatic it must be experienced to be believed!

IT'S THE GREATEST THRILL IN HIGHWAY HISTORY!

If you've come to think of driving as just routine, it's high time you tried the tremendous "go" of this masterful new monarch of the highway.

Here's a car with such exhilarating drive—eager oil-smooth response and safe, secure handling—that even monotonous home-to-work driving becomes your finest hour!

And out on the open highway, the fabulous '56 Pontiac comes alive with all the eager, heads-up alertness of a thoroughbred.

Its blazing 227-h.p. Strato-Streak V-8, coupled with silken smooth Strato-Flight Hydra-Matic, thrives on challenges. The hill you see looming up virtually disappears before your eyes.

And at any legal speed, there's such a reserve of power that your engine literally loafs—ready at a toe-touch to spring into the most thrilling, satisfying action that ever shortened a country mile.

Of course, this is only a hint of what's awaiting you. The difference in performance—in driving, smoothness, ride and control—is so terrific that it can only be appreciated at the wheel.

So come in and take charge of one of these glamorous new beauties yourself. Choose your own test route and sample the greatest "go"—*and enjoy the greatest safety* ever built into a car. Then you'll know why the word's spreading—"They'll be a long time catching up to this one!"

*An extra-cost option.

SOCIETY EVENTS

Miss Vietzen Is Recent Bride of Dean J. Sletten

The Oak Park Ascension church was the scene of the marriage in October of Miss June Marguerite Vietzen, daughter of Mr. and Mrs. Elmer Richard Vietzen, 932 South Kenilworth ave., Oak Park, and Dean Jerome Sletten, son of Mr. and Mrs. E. J. Sletten, Channel Lake Shores, Antioch. The Rev. James P. Shields officiated at the double ring rites.

The bride, given in marriage by her father, wore a floor length gown of white satin with lace yoke with jeweled peter pan collar and full length tapered sleeves. A crown of sequins held her fingertip veil, and she carried a bouquet of white orchids.

Mrs. John Joseph Lennon, sister of the bride, was matron of honor while bridesmaids were the Misses Mary Washington and Nancy Broadland. They wore gowns of pink taffeta with American Beauty accessories and carried American Beauty rose bouquets.

Donald Knigge was best man for the ceremony while Charles Vietzen, brother of the bride and James Flannery were ushers.

The bride's mother wore a lace and taffeta dress of Dior blue with pink accessories. The bridegroom's mother wore a rose lace dress with navy accessories. Both wore white orchid corsages.

Following the ceremony a wedding breakfast was served to two hundred guests at the River Forest Golf club. The bride is a graduate of Trinity High school and Mundelein college, Chicago. The groom attended the University of Illinois and Illinois Institute of Technology. The newlyweds are at home in Waukegan following a honeymoon at the Northernaire, Northern Wisconsin.

Prenuptial showers were given by Misses Mary Washington and Nancy Broadland. Mrs. Jack Lennon, sister of the bride entertained at a buffet supper at her River Forest home in honor of the couple and the bridal dinner was given at the home of the bride's parents.

Miss June Marguerite Vietzen

Petersen-Kovac Wedding Held Saturday At Methodist Church

Miss Virginia Petersen, daughter of Mr. and Mrs. Einar Petersen, became the bride of William G. Kovac, son of Mrs. Mary Kovac, 408 Willow Drive, Round Lake, in ceremonies at the Methodist church, Antioch, at 8 p. m. Saturday. The Rev. Howard Benson officiated at the single ring service.

The bride, given in marriage by her father, chose for her wedding a floor length gown of white lace over net, her fingertip veil was held in place by a lace crown. She carried a bouquet of white mums and stephanotis. Mrs. June Crichton was her sister's matron of honor, She wore a floor length burnt orange gown, her flowers were yellow mums.

The bridesmaids were Misses Doris and Sigrid Petersen and Mrs. Phyllis Balistreri, sisters of the bride. They wore green sheer floor length gowns and their flowers were yellow and bronze mums. Maris Creamer, niece of the bridegroom, served as flower girls, wearing a floor length gown.

Richard Petersen, brother of the bride, was ring bearer.

Albert Miniscalco was best man and the ushers were William Crown, Rolph Grimshaw and Eugene Buzinski.

The bride's mother wore a blue velvet dress and the groom's mother wore light blue taffeta. Their flowers were bronze mums.

A reception was held following the ceremony at the Round Lake Park Legion home in Round Lake.

Mrs. Kovac is a graduate of the Antioch Township High school. Mr. Kovac is a graduate of Austin High school, Chicago. After a two week wedding trip through the south the newlyweds will be at home at Kimball and Laurence, Chicago.

GARDEN GROUP TO MEET MONDAY AT BIEL HOME

The Garden Section of the Antioch Woman's Club will meet at 1:30 p. m. Monday at the home of Mrs. Louis Biel. Members are asked to bring winter bouquet arrangements which will be judged for a prize.

Harry Sandberg, a member of the Men's Garden Club of Libertyville and Mundelein will give a talk on the growing of cactus plants.

The club which organized last month now has 18 members and it has received permission from village officials to plant tulip beds in the park near the Rescue Squad building and in front of the Scout House to fulfill part of its aim to make a more beautiful community.

• • •

The Lake Villa Parent-Teacher Association Harvest dance will be held November 19 at the school gymnasium. Music will be furnished by the Blue-Notes, from 9 p. m. to 1 a. m. There will be both modern and square dancing. Refreshments will be served at midnight.

• • •

Mrs. Frances Van Horn returned home recently after a three week vacation and visit with her daughter, Mrs. Richard Knudsen and family of New York City.

Festival and Dinner at St. Peter's on Sunday

The parishioners of St. Peter's church will stage a festival and dinner next Sunday, Nov. 13. A turkey dinner will be served from noon to 6 p. m. in the St. Peter School cafeteria.

Chairmen of the committee in charge of the dinner are: Mrs. Frank Walsh, dining room; Mesdames Dudley Kennedy and Ed Jacobs, decorations; Mrs. Barbara Feht, salads; Mrs. Fred Dittmer, relishes; Mesdames Fred Teckert, Thomas Runyard and Robert Berg, preparations; Mrs. Roger Gilday, serving; Mrs. Lillian Quilty, pies; Mrs. Peter Freund, cleanup.

The festival comprising merchandise, booths and games, will be held in the church hall from 1 p. m. to 10 p. m. under the leadership of Thomas Haley, Raymond Glennon, and Thomas Pechousek.

The entire affair is under the sponsorship of the Altar and Rosary society, and the Holy Name society of the church. The proceeds of the festival will be used for the building of the new convent for the Sisters and an addition to the present school.

• • •

LAKE VILLA WOMAN'S CLUB TO PRESENT LECTURER

The Lake Villa Woman's Club, through its president, Mrs. Ted Belke, announced that it will present Mrs. Joel Keil of Chicago in a lecture demonstration on Friday, Dec. 2, at 8 p. m. in the Lake Villa Elementary school gymnasium.

Mrs. Keil will show how to make unusual Christmas gifts and decorations. Most of the ideas in her presentation are original and so are different each year. Supplies for making items shown will be sold at the lecture.

Tickets may be secured from Mrs. P. E. Bocox, 45 Burnett ave., Lake Villa, or other club members.

• • •

Mrs. Wanda Oftedahl, president of the Antioch Business and Profesional Women's club accompanied by Mrs. Donald Gibbs attended the All-American Conference, held at the Edgewater Beach hotel, Friday.

• • •

The evening group of the Woman's Society of Christian Service will hold its regular meeting Thursday evening, November 10, at the home of Mrs. Helen Schimmel, Felter's Subdivision, Lake Catherine.

ROBERTA JACK TO SING IN COLLEGE CHORUS

Milwaukee Downer college will revive an 18th century comedy when it presents David Garrick's "The Lying Valet," Friday and Saturday nights, November 11 and 12. The play will be directed by David MacArthur, and will be supplemented by 18th century music and dance, bringing into the production a 48 voiced chorus conducted by Eugene Casselman, and concluding with a dance, in the manner of the theatre in that period. Music of Mozart, in this bicentennial year, will be featured in the songs and will form the accompaniment to the minuet.

The department of art, under the direction of Carl Riter, is assiting in the settings.

Roberta Jach, daughter of Mr. and Mrs. Fred W. Jach, Antioch, will sing in the chorus.

• • •

WESLEY CIRCLES TO HOLD FIVE MEETINGS NOV. 16

Five circles of the Woman's Society of Christian Service plan five meetings for Nov. 16. Mrs. D. N. Deering and Mrs. John Wagner, circle leaders will hold a meeting at 12 noon at the home of Mrs. L. C. Scott. Mrs. F. Hennig and Mrs. B. M. Krieger, circle leaders will hold a meeting at 1 p. m. at the home of Mrs. Alonzo Runyard at Paddock Lake. Mrs. W. C. Petty and Mrs. Herman Grenzman,, circle leaders, will hold a meeting at 1 p. m. at the home of Mrs. Louis Biel. Mrs. Einar Petersen and Mrs. Clara Westlake will hold a meeting at 1 p. m. at the Petersen home and Mrs. Robert Wilton, chairman of the Evening circle will hold a meeting at the home of Mrs. Nason Sibley at 6:30 p. m.

• • •

WESLEY CIRCLES TO HOLD BAZAAR NOV. 18

Wesley Circles of the Methodist church will hold a bazaar at Wesley Hall November 18, sale opens at 10 a .m. There will be many Christmas items such as aprons, luncheon cloths, pinafores, etc. Mrs. Clara Westlake and Mrs. Einar Petersen have charge of the sale.

Mr. and Mrs. Elmer Baethke were guests of their son, Gene, at the football game between Illinois and Michigan at Urbana Saturday and at the Phi Kappa Phi banquet Sunday.

In Cast of Junior Class Play Tomorrow Night

Having prominent parts in the Junior Class Play "Henrietta the Eighth," tomorrow and Saturday night at the Antioch Township High School are, left to right, seated, Richard Vik, Marlys Arndt, Francis Dorner, and standing, Patricia Spacek and Carol Chinn.

Hans Von Holwede To Present Concert Nov. 20th At Faith Church

Hans Von Holwede, Elgin, Ill., formerly a resident of Antioch, will present a concert at Faith Evangelical Lutheran church, Route 21, Antioch, on Sunday evening, Nov. 20, at 7:30 p. m.

Von Holwede is well known here, having been head of the Antioch Music department of the high school for a great many years, and also music instructor at the Antioch Grade school. He has been associated with the Hammond Organ company since his retirement from the teaching profession.

The program is under sponsorship of the ladies of the church, and all residents of the community are invited to attend the concert. This will be the first opportunity for many to see the new church, construction of which was finished this year. The program will commemorate installation of a new Hammond organ at the church.

Second Supply of Polio Vaccine Now in County

A second supply of free Salk polio vaccine has been received by the Red Cross and Antioch and Lake Villa township schools may soon be notified to seek permits from parents for the second shot to their children in primary grades.

Shots were given yesterday to pupils at Wauconda if the schedule made Monday was carried out.

Records show that children who received one dose were substantially protected from polio.

Grade School Patrol Boys Enjoy Marquette-Detroit Game Saturday

Patrol boys of the Antioch Grade School and St. Peter's grade school were given an outstanding treat last Saturday when 72 of them were taken by school bus to Milwaukee where they attended the Marquette-Detroit football game at the Marquette stadium as guests of George Borovicka of the Reeves Drug store.

They left at 10 a. m. and returned at 7:30 p. m. The boys were guests at dinner of Borovicka at the Y. M. C. A. where they were served tomato juice, swiss steak, mashed potatoes, carrots and peas, rye rolls, milk and ice cream.

On the bus they were given gum, and candy bars and at the game they were treated to ice cream.

They were disappointed to see Marquette get beat 20 to 7 by Detroit, but otherwise they had a fine time and Borovicka said they were well behaved. Assisting in the care of the boys were Supt. Richard Whitacre, Richard Seyfarth, and the bus drivers.

And at the game the crowd knew that the Antioch boys were there by their rooting.

"Brother Goose," Junior Class Play, Friday at Union Free High School

"Brother Goose," a three-act comedy, is the choice for the Junior class play at Union Free High school, Wilmot, Wis., this season. The play will be presented tomorrow evening, Friday, Nov. 11, and is under the direction of Miss Genieve Gulan, understudied as student director by Agnes Kraemer.

The cast of twelve includes Pat Diclan, Marge Weaver, Joanne Posch, Sandra Davies, Beverly Rasch, Carol Frans, Betty Smith, Judy Jones, Darold Callow, Heinz Kaiser, Dutch Haase, and Roger Alan.

The curtain wil go up at 8:15 in the high school gymnasium.

Lions Launch "Aid To Blind" Drive

Norman S. Jedele, president of the Antioch Lions Club, announced today that the club is joining with the 460 other Lions clubs of Illinois for the state-wide "Aid to the Blind" campaign during the month of November with a special emphasist on Thanksgiving time which they have designated as "Be Thankful You Can See Week."

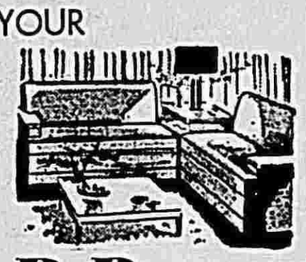

The program is spear-headed in all the communities throughout the state where Lions clubs are organized. Proceeds of the campaign will be distributed to the Leader Dogs for the Blind and the Hadley Correspondence School for the Blind. Both of these organizations have contributed greatly to the welfare and ability to earn a living for many blind people.

Leader Dogs have given more than 100 dogs to blind people in Illinois at a cost of over $1,200 each and the Hadley School is now training 1,600 students in 39 countries around the world in Braille courses from elementary spelling to college physiology.

Leonard Roblin is chairman of the local drive and together with the other members of the Antioch Lions club asks you to remember "Aid to the Blind Month" in November and to contribute to the cause. "Money cannot buy back a man's eyes, but it can help to purchase some freedom, ability to move about, and opportunity to earn a living through the schools and facilities that are supported by this fund."

All local stores will have the familiar "Aid to Blind" cannisters on their counters for your use in making your contributions.

Salem Postoffice Seeks Sub. Clerk or Carrier

J. A. Connor, director of the Seventh U. S. Civil Service Region, announced today that applications are being accepted by his office for the position of substitute clerk-carrier for duty in the Salem, Wis., Post office. Starting pay is $1.71 per hour with opportunity for advancement.

Competition in this examination is restricted to to persons residing within the delivery area of the Salem postoffice and persons now employed in that ofifce. Applicants must have reached their 18th birthday. There is no maximum age limit.

A written test is required of all applicants.

Applications must be filed with the Director, Seventh U. S. Civil Service Region, New Post Office Building, Chicago 7, Illinois, and will be accepted until Jan. 4, 1956. Applications received after Jan. 4, 1956 wil not be accepted unless they are received by mail and bear a post mark on or before that date.

Full information and application form may be obtained at the above named post office .

Bill and Mary Huebner Buy Palms Restaurant

Bill and Mary Huebner have purchased the Palms restaurant one mile west of Antioch on Rte. 173 and have opened it up under the name of B and M. They expect to have their grand opening in about two weeks.

The restaurant originally was operated by Dominic Diorio, and two years ago sold to Douglas Palm who operated it under the name of The Palms.

Huebner managed the Antioch Moose lodge club at the time it was opened more than three years ago.

The Huebners have completely renovated and painted their new business place, and are proud to show it to all who call.

VETERANS DAY TOMORROW

Other than the fact that there will be no school and the banks and government buildings will be closed, there will be little celebration of Veterans Day, formerly Armistice Day in Antioch tomorrow. Veterans organizations have not come up with any announcement of any service. Fox Lake's American Legion and Auxiliary will have a dinner and memorial program tomorrow night.

Attends DPE Convention

Warren Polley of the high school faculty left on Wednesday to spend the remainder of the week at sessions of the national convention of Delta Pi Epsilon at McCormick's Creek State Park near Bloomington, Ind. He is the national delegate of the Alpha Beta Chapter at the University of Illinois to his honorary graduate business education fraternity conclave.

NOTICE FOR BIDS

Postmaster Roy I. Kufalk desires man with truck to transport rural carrier's cases from Postoffice to Rescue Squad Home Dec. 10th, 1955, and return same to Postoffice Dec. 31. Also carriers' baskets to be taken daily back and forth. Approximate time for the month would be 30 hours. Bid forms may be obtained at the Postoffice. Bids must be in by November 19, 1955 at 6 p. m.

ROY I. KUFALK
Postmaster

Tips on Traffic Safety

It seems that some motorists cannot be reminded enough of the foolhardiness of the maneuver of swinging open the door on the left hand side of a vehicle without checking the traffic coming from the rear when they are alighting from a car.

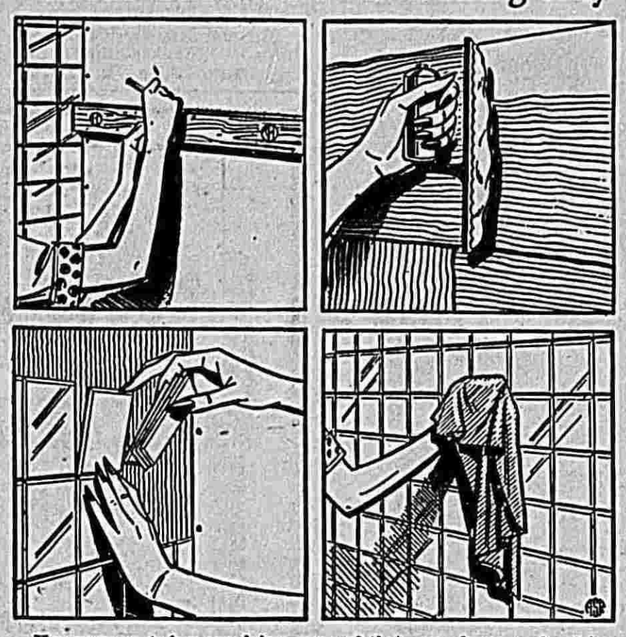

There is no excuse whatsoever for anyone to become involved in an accident of this type. It takes only a matter of seconds to check and see if there is any traffic approaching from the rear before opening the door. When parking in a district where a clear view may be had by the use of the rear view vision mirror, a check through the mirror is usually sufficient. However, when getting out of a car which is parked closely in front of another vehicle, the motorist should take the added precaution of running down the window next to his seat and making a thorough examination of the traffic coming from the rear.

The driver of a vehicle who is suddenly confronted by a door swinging open and a person getting out of a vehicle in front of him has little if any chance of avoiding an accident. Besides the life of the motorist alighting from the parked vehicle, other lives are at stake. The driver of the vehicle approaching from the rear may—in that short space of time in which he must make a decision—decide to swerve sharply to his left. He thus endangers motorists coming from the opposite direction.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

Plastic Tile Makes Remodeling Easy

Homeowners today are doing more of their own home modernizing than ever, and the big reason is the new ease of remodeling, using plastic wall tile. Old-fashioned bathrooms, kitchens, dinettes and other such areas can be converted into brighter, more livable rooms easily and inexpensively by installing plastic wall tile made of polystyrene.

Because plastic tile is light weight, a specially constructed supporting wall is not required—important in renovating an older home. Tile may be applied over smooth plaster, plasterboard, plywood, and many other surfaces. It is not satisfactory to "tile" over rough plaster. Wallpaper or oil cloth must be removed and paste washed off before tiling.

Walls must be true to insure a good job. If wall is not true or has holes, or large cracks, plastering should be done to form a smooth, level surface. After wall is prepared, follow these easy steps:

Draw guide lines, using a level, to determine horizontal and vertical starting lines. *(Upper left.)*

Using a mastic trowel, apply mastic (adhesive) smoothly and in sufficient quantity to insure good coverage on back of tile. *(Upper right.)*

Begin setting tile in middle of wall at top level line, pressing each firmly into place by applying pressure at corners only. After laying a half-dozen horizontal tiles, lay a vertical row to lower edge of surface to be tiled. This provides accurate alignment and makes a neat appearance. All partial tiles then appear in corners. *(Lower left.)*

As each row nears corner, stop tiling before corner tile is set. When several rows have reached this stage, place each corner tile, in turn, down the line. Special tile shapes may be used as finishing touches.

After installation, remove excess mastic with soft cloth and suitable cleaner. Do not polish until mastic sets. To polish, wipe with soft cloth dipped in warm water to which liquid detergent has been added (one tablespoon per gallon of water). Allow to dry; polish with dry cloth. *(Lower right.)*

The result? A hardy, permanent wall covering, yet an attractive one, having a softness of color which blends admirably with any decor.

CAUGHT WITH YOUR SALES DOWN?

Mr. Merchant, if your sales are down, maybe your customers are slipping away!

Reliable statistics show that the average business loses 30% of its customers through death, dissatisfaction, moving to other areas, etc. Normal gains average 4%, leaving a deficit of 26 per cent! WHAT TO DO ABOUT IT? The surest, and most profitable way to increased sales, is consistent, timely advertising in your newspaper.

Come in or call! Let us help you plan an advertising program suited to your needs.

Missionary to Speak

Miss Sarah Jane Kiper, recently returned from Yamagata valley in northern Japan, will speak at Round Lake Beach Progressive Club, at 11 o'clock a. m. Sunday, Nov. 20.

As a missionary in Japan under the Conservative Baptist Foreign Mission Society, Miss Kiper worked with Japanese Christians in kindergartens sponsored by the local church, in Bible conferences, and Bible classes. Her many contacts with orphans in Japan caused her to have a real interest in them and a concern for them.

In Columbus, Ohio a first-grade teacher was telling her class the story about the ugly troll who lived under a bridge. "Why," she asked the class, "wouldn't the old troll let the billy goat cross the bridge?" "I know," a six year old volunteered, "because you have to pay money to cross a troll bridge."

Deep Lake

Mrs. Millie Luehr, Correspondent
Eliot 6-4946

The two smallest trick and treaters at the Luehr's turned out to be our own grandchildren, Susie and Billy Severson, age one and two from Petite Lake rd, Lake Villa. Their masks completely fooled us. Nanny Severson saw to it they got the Halloween spirit, grouch bags and all.

Mr. and Mrs. Ragnar Johnson spent several days with her daughter and family, A. Swanson, in Deerfield.

Mr. and Mrs. J. DeBoer spent the week end in Cincinnati, Ohio with friends.

Helen Sigler is back home after spending a few days at the Mayo clinic with her mother.

From Florida my girl friends Leona Maley and Ann Christensen visited Thor Thorness' bowling alleys in Vero Beach and were welcomed back to Florida. Thor and Loretta Thorness are formerly of Lake Villa and once owned Club Villa. They sent their best regards to the Luehrs and the many friends they have in Lake county.

After waiting for the blessed event, Sally Groat's German Shepard had her litter of pups. Out of ten four survived. That made Sally very sad as they are pedigreed pups.

Mrs. Ralph Sanders is back home from the hospital. Glad to have her back.

The ladies' auxiliary board will meet Friday, Nov. 11 at the home of Edna Stevens.

Mr. and Mrs. Mulvaney and daughter, Precious, were Sunday guests of Mr. and Mrs. Harry Voss. Millie Luehr and Florence dropped in to see the baby.

Mrs. Pat Stark of North Chicago and Rosette Vaicy of Waukegan surprised Millie Luehr Monday. They had brunch and played canasta later.

YESTERDAYS

November 1942
Thirteen Years Ago
THE OBSERVER

Some wise man once said that if you want to find just how big a man is, place him in position of authority. His character and caliber will show up at once. . . . Take some fellow who never amounted to a dam in private life, and give him an office where he has a chance to bulldoze the public and he falls for his new estate of importance like a tub of cement. He disregards all rules of human ethics, becomes insolent, abusive and repulsive. With such an attitude he would not last five minutes in private enterprise. But inwardly he swells up like a poisoned toad—his booths are full of oats—he's the nuts—the big shot finally landed in the big job he always knew he was cut out for. That's his opinion. To the regular people he's still just the horse's neck who voted "right" in the last election.

Mrs. Olive Reading writes from Maxwell, California—

"Enclosed $1.50 for the Antioch News for the next year. I seem to be lost without the paper. I have been correspondent for the "Colusa Sun" for over 26 years so know papers and their setup fairly well. We had several thousand pheasant hunters here in Maxwell over last week-end from the San Francisco Bay cities. Best regards."

Save your old socks, gals and watch the local paper for places of hosiery collection. No one will be paid for the old stockings: it is entirely a voluntary salvage. In case you don't know, through a very new process, the old silk and nylon threads from hose can be converted into articles useful to the war effort. Silk will be woven into powder bags and from there on it's a military secret. . . .

Guests of Mr. and Mrs. S. B. Nelson Sunday were Mr. and Mrs. Julius Kobs and daughter, Mrs. Raymond Schwartz of Kenosha, Mr. and Mrs. Glen Turnage and son, James of Chicago.

Mr. and Mrs. Lester Osmond will have as Thanksgiving guests, Mr. and Mrs. John L. Horan and daughter, Mildred and son Jack, and Mrs. Ida Osmond.

The Wesley Circle of the Methodist church will meet in business session Wednesday afternoon at the home of Mrs. W. C. Henslee.

The hottest features for '56

are in the new Chevrolet

Chevrolet never had it so good for you before . . . and no other car in its field even comes close. See if Chevrolet doesn't feature everything you want for '56.

All New! The Bel Air Sport Sedan with 4 doors and no sideposts

Bold, new Motoramic Styling

Just look it over—the lower, longer hood . . . the wider grille that spans the full front end . . . the big bold parking lights. From the side, you see the sweeping new speedline chrome styling and high-set taillights. Colorful new contemporary interiors add the final touch! Body by Fisher, of course.

V8 Horsepower Zooms to 205

That's what the new "Super Turbo-Fire V8" pours out (an extra-cost option). You can see why we say the hot one's even *hotter!*

Hideaway Gas Cap

Chevrolet's left-side taillight holds a stylish secret. Hinged at the bottom, it swings down to uncover the gas cap. Closed up, the cap's concealed—and there's nothing in sight but the taillight!

12-volt Electrical System

Packs *twice* the punch of ordinary 6-volt systems . . . spins the engine up to one-third faster. You get surer starting in all weather. And you have a greater electrical reserve supply.

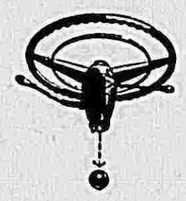

A new 6 with 140 H.P.

The new "Blue-Flame" 6 brings you this higher horsepower plus a higher compression ratio (8 to 1) and oil-hushed hydraulic valve lifters.

Everything in Automatic Power Features

Power Steering, Power Brakes, power-positioned front seat, power window controls. All are available as extra-cost options.

Steering made easy

Ball bearings reduce friction and steering effort in Chevrolet's Ball-Race steering.

Anti-Dive braking

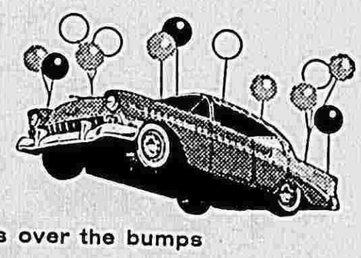

Anti-Dive braking, an exclusive Chevrolet development, means more level stopping—even when you hit the brakes hard!

THE HOT ONE'S EVEN HOTTER

It's the Pikes Peak Record Breaker!

The '56 Chevrolet proved its surer, *safer* driving control by breaking the Pikes Peak record!

Floats over the bumps

Roads seem newly paved with Chevrolet's Glide-Ride front suspension and long outrigger rear springs soaking up the jolts. And Chevy's cat-footed on curves! Chevrolet performance puts your safety first!

If Paint Can't Plastra-Tone Can

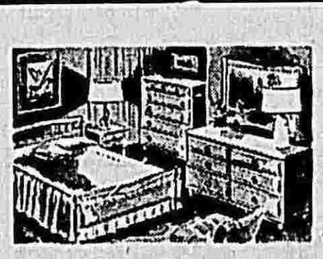

"Does what paint can't do." That's what they say about Plastra-Tone, the new rubberized alkyd base texture paint that seals cracks, hides wall blemishes and re-colors while you re-surface the walls and ceilings in your home.
Plastra-Tone is a ready-mixed combination plaster-and-paint which repairs, re-surfaces and re-colors your favorite rooms and can be applied by any homeowners using a brush or roller. Plastra-Tone is flexible and durable and won't crack or break as do ordinary materials. You'll really love it. Ask to see today.

Silhouette of power—the new Windsor Newport two-door hardtop

This is how power looks...and feels!

One look at this new "PowerStyle" Chrysler tells you this world-beater is long and low and lean . . . that this is how power *looks!*
But mister, what a thrill you're missing until you pilot "PowerStyle."
From the word "go," you boss two real sweet performers—a Chrysler airplane-type V-8 engine . . . and Pushbutton PowerFlite automatic transmission. Plus full-time PowerPilot Steering and Power-Smooth Brakes.
You'll know then—this is how power feels! Come see it, try it yourself . . . today!
Two more fabulous Chrysler "Firsts"!
• Highway Hi-Fi* —enjoy long-playing records while you drive!
• New airplane-type Instant Heating System* —warms your car to living room temperature in seconds. (*Optional)
New Optional "Power-Train" Gives Windsor 250 h.p.!
Here's a factory-installed super-power system—Increases horsepower 9%! Boosts torque 10% . . . uses no extra gasoline.

Mrs. Bert Doolittle left on Sunday for a two weeks visit with her brother and family, the Earl Darbys at St. Petersburg, Florida. She accompanied Miss Clara Nelson of Loon Lake, who was driving down to spend the winter months.

Mr. and Mrs. Oscar Finkel attended the silver wedding anniversary open house for Mr. and Mrs. Leo Anderson, at their home at Gurnee, Sunday afternoon.

The Mothers Club met at the home of Mrs. Herman Vaughn on Rte. 45 last Tuesday evening, Nov. 1. Co-hostess was Mrs.Early Moeller. The visitor present was Mrs. Myers of Effingham, Ill., who was visiting her sister, Mrs. Moeller.

Mr. and Mrs. Richard Wells are moving into their new home on Savage road this week.

The Russell Hunter family of Great Lakes spent Saturday afternoon and evening at the Gerber and Van Patten homes.

Mr. and Mrs. Malcolm Bishop and children of Kenosha were Sunday afternoon callers at the H. A. Tillotson home.

Spencer Wells of Trevor visited the Curtis Wells and Gordon Wells families Sunday afternoon.

Mr. and Mrs. Fred Leable spent Sunday at the home of their daughter, Mrs. Blanche Alverson in Kenosha.Mrs. Ethel Bennett of Kenosha, was also a guest for the day.

OUT ON A LIMB

By Stumpy McCulloch

I know Europe's a pretty nice place, but it sets me to rememberin how America must have looked when the first settlers came to Jamestown and Plymouth green forests as far as the eye could see. In the 350 years since these fellows settled, twice as much lumber has been cut as was standing in America at that time. Still, more than one-third of our lands are covered with timber today. Proves that trees will continue to grow, if we plant them like other crops and harvest them when we need them.

* * *

Lloyd Johnson is another vacationer. He wrote to his brother who was tendin to Lloyd's shop in Spokane, Wash,, where they sell those faster'n lightning saws named after me, that the town Jim was visitin was so dull that one day the tide went out and never came back.

* * *

But all of us can't go on vacations. Some of us has got to keep the home fires burning. That's not as bad as it sounds. I had me a nice vacation just staying home. Got out of mowing the lawn twice, let the roof wait, and forgot to fix the window.

* * *

I know that forst fires are still one of the Forest's biggest headaches, but I keep thinking that it's wonderful that it is not the number one problem. The big problem now, and it's being licked too, is disease and bug destruction. Progress is really big here: an eastern white pine resistant to blister rust has been developed. A fungus, associated with "little leaf disease" has been identified. Two varieties of elm resistant to Dutch elm disease have been developed. Moth infection, covering as much as 400,000 acres has been beaten back by DDT from planes. Spruce budworm is being licked the same way. Pretty soon forestry experts will have disease whipped. Then we can start working on a DDT to put out campers who don't put out cigarettes.

* * *

And sitting home, you can watch the kids battin the ball around the lot next door. If the fiber of American youth everyone talks about is as good as the fiber in the American baseball bats—you got nothing to worry about.

Antioch Sheet Metal	9	18
Beauti-Vue Products	4½	22½

Antioch Major League

The Antioch Major League bowlers toppled the pins for some good counts Friday evening, coming up with 27 two hundred games, and seven 600 counts. Ray Horan had high series—664, with games of 219-211- and 234, with Bill Keulman close behind with a series of 650, on games of 202, 221, and 227. High single game of the evening was 245, rolled by Roman Vos, of Antioch Lumber team.

The Volo Bait Shop took three games from Miller Insurance, with a high of 607 by Ed Butler for the winners, J. Angeloff was high for the losers with 552. The Bait Shop capped high series for the night, with 2835, on games of 961, 930, 944.

Joe & Helen's took two games from Keulman Bros., sparked by Joe Sterbenz' 619 series, with Bill Keulman's 650 high for the other quintet.

Hunt's Service Station won two from Amiel Feyerabend's, powered by Horan's 664; Larry Ogrin was high for the Studebaker gang with 597.

The Antioch Lumber & Coal took 2½ games from House of Klass, with Al Fischer having high series of 594.

Cermak's Insurance took a clean bill on the match with Rausch Bros., with Ed Propelka again leading his team mates on games of 168-209-244 for a 621 series.

This week's games leave the three first place teams within one-half game of one another—Keulman Bros. lead with 19 wins, followed by Hunt's with 18½ games, and Cermak Insuarance with 18 wins.

Thursday Business Men
Nov. 3

Truax Trucking took high team series with games of 842-857-844—total 2543.

Tuttle Mink took all 3 games from Meyers.

Gibbs & Jenssen won two from Art's Paint.

Bel-Aire won two from Van Patten.

Recreation took 2 from Sexauer.

SAFETY IN THE HOME WORKSHOP

Whether you putter around a small workbench with some hand tools or run a power tool workshop, you can avoid serious accidents by always taking the following precautions:

- Keep your work area uncluttered and cleaned up—tools, lumber, nails, hardware, stored properly and safely. Floor and workbench should be kept clean of oil, water, shavings.
- Learn how to use each tool safely and use the right tool for the job. Follow all manufacturer's directions on use and maintenance.
- Focus your attention on the work being done.
- Always use the safeguards as provided on mechanical equipment.
- Be sure the electrical switch for power tools is out of the reach of youngsters and lock it when not being used.
- Get rid of oily rags and don't smoke when using finishing materials.

For '56
New Sweep-ahead styling
New Sizzle to match

The 1956 Buick SUPER 4-Door Riviera

WHAT YOU SEE pictured here is Buick for 1956—and from the gleam of that "V" grille to the sassy slant of the tail fins, you can see it has no equal for gorgeous good looks.

But what you see from the curb is more than matched by what you feel at the wheel—and that's gospel.

For this Buick gets its zoom from a mighty 322-cubic-inch V8 engine lofted to a new record high in power and compression—and from a spectacular new advance in Variable Pitch Dynaflow.*

What's new in the '56 Dynaflow is this: in the first inch of pedal travel—*and not with wide-open throttle*—your Buick moves from standstill to cruise with silk-smooth, instant and certain getaway.

But comes a sudden need for safety-surge action to get out of a tight spot—and you floor the pedal to switch the pitch of this airplane-inspired transmission. Instantly and smoothly, you're at full-power acceleration—a thrill beyond words.

There's a lot more we could tell you about these great new Buicks—about brilliant new interiors, a superb new ride with a safer "sense of direction," and new safety features everywhere you look.

But the best way to get the whole story of the best Buick yet is right at the wheel of one of these '56 beauties. So drop in this week and do just that.

Best Buick yet

SEE JACKIE GLEASON ON TV Every Saturday Evening

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Free Booklet Will Furnish Facts On Proper Packaging

Helpful facts about wrapping and shipping packages are contained in a new and profusely illustrated pamphlet entitled "Packaging and Wrapping Parcels for Mailing" available free at all post offices Postmaster Roy I. Kufalk announced today.

The pamphlet, excerpted from the Postal Manual, describes the types and sizes of cartons best suited for outer and inner shipping containers; gives details for the internal protection for goods being shipped; lists hints on wrapping chinaware, stemware, framed pictures, books, and other goods; and gives instructions for marking various types of parcels to insure the quickest possible delivery.

Written instructions are highlighted by numerous illustrations showing how to wrap and tie packages securely. Drawings of various types of containers and boxes and the best way to use protective material to guard goods against breakage are also used.

"This free pamphlet, "Kufalk pointed out," if used in conjunction with the Department's free pamphlet entitled "Domestic Postage Rates and Fees" which was issued a few months ago, should answer practically all questions any user of the mails might have on fees, rates, special services, and protection of parcels in transit."

The Postmaster General emphasized that much of the delay in delivery of parcels, particularly at Christmas, and most of the damage en route is due to lack of knowledge of basic rules to follow in mailing packages.

"The employees of the Post Office Department have a tremendous job ahead of them again this coming Christmas season," Kufalk said. "Every effort will be made to deliver all mail on time and in good condition by Christmas Eve, as has been done in the past two years. May I urge mailers to avail themselves of these two free pamphlets: 'Packaging and Wrapping Parcels for Mailing,' Post Office Department Publication No. 2; and 'Domestic Postage Rates and Fees,' Post Office Department Publication No. 3; which will answer most of their mailing questions, demonstrate the best methods of packing goods, and help the postal employees in their important work of moving the huge volume of Christmas parcels."

Rabbit Season Opens Nov. 26, Watch for Tularemia Infection

Most Illinois cases of tularemia, an infection which has been observed in wild fowl, quail and pheasant, are traced to the ordinary cottontail rabbit. The Illinois rabbit hunting season will open Nov. 26 and run until Jan. 20.

Dr. Roland R. Cross, state health director, urges housewives, hunters, and persons who dress wild rabbits for market to be very careful in handling the game. Wearing rubber gloves gives some protection against infection. Tiny white spots on the spleen and liver of rabbits are an indication of infection with tularemia. When this condition is noted in dressing, the carcass should be burned, and one's hands washed repeatedly with soap and water, and if possible with a disinfectant.

Duben in Amphibious Exercise in Southeast

Norfolk, Va., (FHTNC)—Taking part in a major amphibious exercise on the southeast coast of the U. S. with the 2nd Marine Division, Camp Lejeune, N. C., is Robert F. Duben, hospital corpsman second class, USN son of Mrs. Margaret M. Duben of Route 4, Box 394, Antioch, Ill., and husband of the former Miss Veronica H. Glover of Brooklyn, New York.

The exercise, involving 80 ships, 347 aircraft and 42,000 Navy and Marine Corps personnel, began Oct. 19 and will be clixamed by an amphibious assault on Onslow Beach, N. C. on Nov. 3.

Supported by ships of the Atlantic Fleet, the Marines will land by helicopters, surface craft, sea planes, land planes and submarines. They will be opposed by a simulated enemy force of Marine "aggressor" troops.

The maneuver will provide realistic training in all phases of amphibious warfare, including the simulated use of offensive and defensive atomic weapons.

Al Johnson Dies

Funeral services were held in Chicago Tuesday afternoon for Al Johnson, 80, a summer resident at Indian Point, who died Sunday night in Masonic hospital, Chicago. He was a retired jeweler, and had made his summer home in this area since 1914. Surviving are two daughters and a son.

Radio Club Formed

Radio enthusiasts at Antioch High School have formed the Amateur Radio Club and an aim has been established to have each member receive a license for transmitting. Officers are Steve Aschenbrenner, president; Elmer Oelkers, vice president; and Jerry Burnette, treasurer. Louis Chenette, Stuart Good, and Robert Heath are faculty sponsors.

Brother of Local Men Dies Today at Home in Wilmot, Wis.

William Scott, 66, Wilmot, Wisconsin, died this morning (Thursday) at 12:45 a. m. at his home, following a year's illness. Mr. Scott was born August 17, 1889 at Wilmot, where he lived for 15 years, then moving to Burlington where he lived for 25 years, before returning to Wilmot 22 years ago. He was a member of the Holy Name church, and was a laborer by occupation.

Survivors are his wife Wilhimenia, four sons, Charles, Delavan; William, Milwaukee; Robert, Burlington, and Richard, Sioux City, Iowa; four daughters, Mrs. Margaret Huth, Wauwatosa; Mrs. Lucille Morton, Wilmot; Mrs. Arlene Rutkowski, Milwaukee; and Mrs. Marylou Paddock, Salem; fourteen grandchildren; two brothers, Fred and Walter I. Scott, both of Antioch; three sisters, Maude Gardner, Burlington; Ada Vincent, Wilmot, and Elsie Lovestead, Silver Lake. He was preceded in death by two sons Everett and Arthur.

Funeral services will be held at 9:30 a. m. Saturday at Holy Name church, Wilmot, with the Rev. Harold O'Connor officiating. Interment will be in Holy Name cemetery. Friends may call at the Strang Funeral home after 2 p. m. Friday.

Safety Belts for Gas Company Cars

"Project Safety Belts" is now under way at various Northern Illinois Gas Company locations as approximately 350 of its vehicles are being equipped with this added safety measure. In photo, Joe Lambert, the utility's safety supervisor, examines a recently installed safety belt in one of the company's passenger cars. Both the driver and companion seats will be equipped with safety belts.

Recently Los Angeles police arrested a man for illegally crossing a busy street. This isn't unusual but his name was—J. Walker.
